A deceptively spacious two double-bedroom semi-detached bungalow occupying a generous corner plot and offering excellent potential for modernisation. With a private driveway and substantial paved gardens to the rear and side, this is a fantastic opportunity for buyers looking to put their own stamp on a property.

Offered to the market with no onward chain, this well-proportioned bungalow is situated in a convenient residential location and provides plenty of scope for improvement.

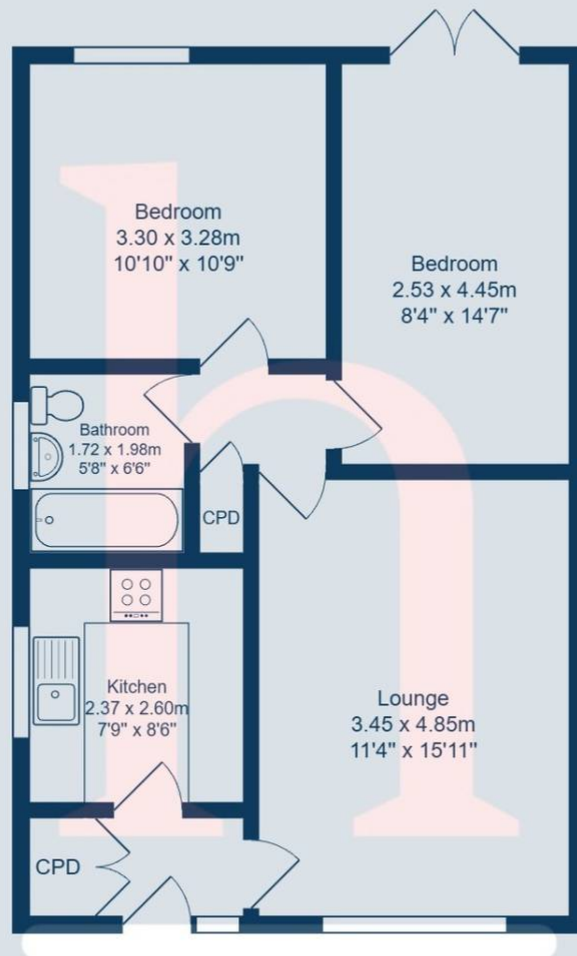

Requiring a programme of modernisation throughout, the accommodation comprises two double bedrooms, a spacious living area, kitchen and bathroom. The generous room sizes provide an excellent foundation for creating a comfortable home tailored to the new owner's tastes and requirements.

Externally, the property benefits from a private driveway providing off-road parking, together with a surprisingly large paved garden extending to the rear and side. While the outside space would benefit from some general tidying and landscaping, its size offers excellent potential to create an attractive, low-maintenance garden ideal for relaxing or entertaining.
