Well Presented Three Bedroom Semi-Detached Home with South-Facing Garden

Situated in a popular and convenient part of Upton, this well presented three bedroom semi-detached home offers a fantastic balance of practical living space, generous parking and a superb private rear garden.

Ideally positioned for local amenities, schools and transport links across Wirral, the property is perfectly suited to first time buyers, young families or those seeking a comfortable and well-connected home with excellent outdoor space.

The accommodation is thoughtfully arranged and begins with a welcoming hallway, complete with useful storage. To the front of the property is a cosy and well presented lounge, offering a comfortable space to relax and unwind.

To the rear, the home opens into a bright and sociable kitchen diner, extending across the width of the property. This well-designed space features a fitted kitchen with ample storage and workspace, a breakfast bar and room for dining, making it ideal for everyday family life and entertaining. Bi-folding doors open directly onto the rear garden, creating a lovely connection between inside and out.

To the first floor, there are three bedrooms, including two doubles and a further single bedroom which would work well as a child's room, study or dressing room. The family bathroom completes the first floor accommodation.

Externally, the property continues to impress. To the front, there is a generous driveway providing off-road parking for multiple vehicles, while a gated side access leads to a useful store, ideal for bikes, tools or outdoor equipment.

The rear garden is a real highlight. Enjoying a southerly aspect, it offers a large decked seating area, a generous lawn and mature borders with established shrubs and trees. The garden feels private, family-friendly and perfect for summer entertaining, outdoor dining or relaxing in the afternoon and evening sun.

A superb opportunity to purchase a well presented home with excellent parking, a fantastic garden and a highly convenient location. An early viewing is strongly recommended.
